Service Director Vacancy
37 hours per week
£36,876 - £40,760 pa

CFF is a national voluntary organisation working with young people, parents, carers and staff working with children and young people. We deliver:

- Evidence based group work programmes to reduce difficulties in managing the behavior of children and young people
- Specialist group programme that promote positive mental health and wellbeing and offer vital awareness, knowledge and experience of ways to navigate and manage worries that impact on young people and their families.
- Training on a range of CFF products to professional staff, locally and nationally.

Our programmes have been described by families as 'life changing'.

To meet our 5-year strategy, we now have an exciting new opportunity for a **Service Director** to join us to lead the growth and development of the organisation.

The ideal candidate will be comfortable leading high-level strategic planning, whilst also being happy to remain hands-on and delivery-focused. With excellent core management skills, broad operational and compliance experience, strong team development and people management skills our **Service Director** will have the ability to combine leadership and managerial experience, knowledge of the sector and skills in organisation growth to make sound **business** decisions to drive CFF into this new decade.
