

**Centre for Fun & Families Ltd
177 - 179 Narborough Road, Leicester LE3 0PE**

We are a National voluntary organisation delivering unique evidence-based group work programmes which help parents and carers reduce difficulties in managing the behaviour of children and young people. All our programmes promote positive emotional health and wellbeing and assist and support teenagers who are experiencing low to moderate mental health which impacts everyday activities and relationships either in the family home, school or community.

We are offering an exciting opportunity to practitioners that are committed to working with families and bringing about positive change. We have the following new exciting opportunity. The deadline for applications is **12 noon on 31st January 2020.**

Sessional Worker Lead (up to 3 posts) (part time)

Our sessional workers help deliver our group work programmes during the day and evenings in community venues and at some schools and colleges. Approximately, 30 hours per programme, (4 hours a week for a 2-month period), paying between £8.50 and £12.50 per hour depending on experience.

We are offering the opportunity to

- Work in a small, innovative voluntary organisation.
- Work with a small team of experienced practitioners who are committed and passionate about the work they carry out.
- Support the delivery of evidence-based group work programmes, ensuring quality, consistency and effectiveness for parents and young people in Leicester, Leicestershire and Rutland.
- Develop skills, gain experience and obtain theoretical knowledge in behavioural work with families
- Gain accredited training.
- Contribute to the ongoing development of the work with families and the Organisation as a whole.
