

Do you have friends or family members that would like an exciting opportunity and experience to be a CFF Director?

As a Director of CFF you can add value to the Board in many different ways.

The Board of Trustees is responsible for the overall governance and strategic direction of CFF.

In essence, it is the Board's responsibility to develop and steer the organisation to meet the aims and objectives set out in the accordance with the governing document and legal and statutory guidelines.

We are particularly looking for a Director with excellent Finance experience who would like to work alongside our current Treasurer with a view to taking on the role within the next 18 months. Plus Directors who can help promote Diversity.

Diversity brings in new ideas and experiences, and CFF wants to learn from each other and lived experiences.

Bringing and sharing different ideas and perspectives leads to better problem-solving.

Through a **diverse** team we want to open dialogue and promote creativity.

CFF is a **leading voluntary organisation** delivering specialist parent and family support through the delivery of group work programmes. It is a local, grassroots organisation that has developed its products through the voices of the families it works with.

CFF has a 30-year track record of working collaboratively with families and partner agencies across Leicester City, Leicestershire County and Rutland. Our core mission has remained unchanged - empowering families by building on their strengths.

CFF is a growing charity with an ambitious five-year strategic plan. this is a great opportunity to be part of a dedicated and passionate team of workers that are committed to making a real difference to families lives. Training opportunities will be available and an opportunity to work with a skilled and experienced Board of Directors.
